Summary Information

Title: LITTLE KNOWN STORIES

Subtitle: *PROSE IN FORMAT*

Author: Eric B. Miller

Categories: Poetry; Creative Nonfiction

Targeted Audience:

General readership of prose, poetry and memoir.

Author:

Eric B. Miller grew up in southern New Jersey. He holds a master's degree in English and pursued writing while working on farms in Virginia, Maryland, and Belgium. He spent twenty years in the business world back in New Jersey, then eighteen years in the American Red Cross, and recently began writing again. He is the author of *Hula Girls*, a novel.

One Sentence Summary:

Remembrances of a long relationship and the one who struck a path through the new landscape of assisted suicide.

Synopsis:

One life ends, another goes on. *Little Known Stories* is an account of these two lives, of forty years together and the unfinished business death leaves in its wake. It is a story that matches the character of life, where the commonplace holds sway, where tragedy cannot be avoided, and humor cannot be helped. It is also an appreciation of a life that sought a place for itself in the world, and by a bad turn of fate, instead found its way here.
